

SLAYING THE MONSTER

— HOST AN EVENT: **SLAYING THE MONSTER**

People need more than good information and willpower to overcome pornography; they need battle strategies!

What you will receive:

- Learn the six battle strategies for defeating the monster of pornography and other addictions.
- Gain valuable insights into the brain science behind addiction.
- Be given practical, effective tools for winning the fight.
- Learn how to stop merely picking 'bad fruit' and go after the roots beneath this addiction.
